Tuscany

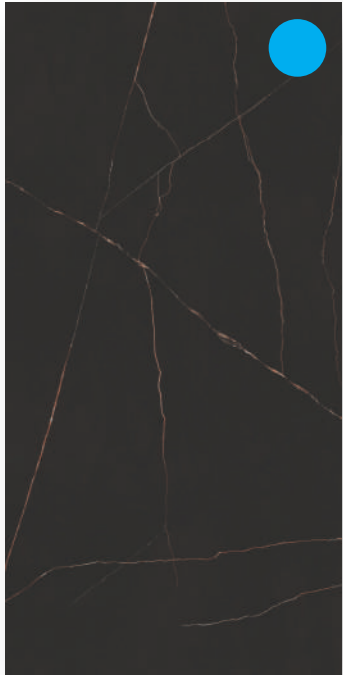

A modern kitchen interior featuring dark, marble-look porcelain slabs for the main wall and island. The island has a thick wooden countertop. A built-in wooden shelf on the island holds books and white ceramic items. A wooden stool with a light-colored seat is positioned next to the island. In the background, a large window looks out onto a courtyard with lush green plants. A built-in oven is visible in the dark slab wall. A long, thin light fixture hangs above the island.
